

## Parents/Carers will...

1. Follow social distancing guidance and encourage children to do the same
2. Make a decision about the return to school and let school know
3. Make sure our child only attends school when they are well
4. Encourage and support our child with good personal hygiene
5. Maintain good communication with school

## Children will...

1. Wash our hands properly and regularly
2. Try to maintain social distancing when in school and outside the home
3. Try hard with learning at home and in school
4. Talk about how we feel with trusted adults

## Staff will...

1. Create a positive, welcoming environment (which adheres to Welsh Government Guidance)
2. Follow social distancing guidance and encourage children to do the same
3. Encourage and support children to have good personal hygiene
4. Keep the school building and equipment clean
5. Maintain good communication with all families
