Tia's Succulent Shortbread!

Tia (Y2) has been very busy baking this week. She made some lovely shortbread biscuits and she would like to share her secret recipe with you all!

Brawddeg y Wythnos

Faint o'gloch ydy hi?
What time is it?

This Week's Prayer

God bless those who are dear to me, God bless those who are near to me;

God bless those who are far away, God bless all of us through the day.

God bless you who are here on my left, and God bless you on my right;

May God keep you safe all through the day, and guard you all through the night.

Amen

Shortbread Fingers Recipe

150g Plain Flour

100g Butter

50g Caster Sugar

Method

Put all the ingredients in a bowl and mix together with your hands. Squeeze together until it forms a dough and shape into a brick shape. Wrap it in cling film and chill in the fridge until it is firm - about 20 minutes.

Take it out of the fridge and cut into fingers/slices. Lay them out on a baking tray, lined with greaseproof paper. Use a fork to decorate the top. Sprinkle with caster sugar.

Bake in the oven for 15-20 mins on 170°C/150°C fan/ Gas mark 3. Take the shortbread fingers out of the oven and leave to cool on the tray.

Wow Tia! You have been such a busy cook this week. We love the look of your shortbread fingers - they look so tasty on your fruit salad - yum! Thank you for sharing your recipe!

Cheski and Vegas - Beach Dream!

Cheski (Y5) has been spending lots of time during lockdown with her gorgeous pony Vegas. Here are some snaps of them together at the beach.

You are such a lucky lady Cheski, Vegas is absolutely beautiful...and he is very lucky to have such a lovely, caring owner too!

Home Entertainment

Benjamin (Y1) has been making his own games and solving puzzles.

What a great idea Benjamin, this looks like great fun!

Wow Louis, not only have you been doing online learning but you have also been going to Chinese School too - this is amazing!

Chinese School

I was on Sam and Shaun's Big Cook Out last week on BBC. They came to my weekend Chinese School to make their show with my Chinese teachers. I was doing paper folding and learning Chinese.

Suzi's Computer Art

Suzi (Y5) has been exploring how to create artwork on her laptop. We are very impressed with her creative graphics that she has designed. Suzi has even been using them as backgrounds in her Teams chats. Super IT skills Suzi, keep up the great work!

Alannah's Day Out

I went on a walk with my Mum, brother and sister to a place called 'Maiden's Leap'. On the way we saw horses, after the horses we went on a rope swing and it was so much fun!

Alannah (Y5)

Wow Alannah, this sounds like a great day out - thanks for sharing.

Healthy Eating Week@Home!!!

So next week 22nd-26th June we will be taking part in the BNF Health Week. (British Nutrition Foundation)

Keep an eye out on your online learning platforms - SeeSaw and Google Classroom for 'Health Challenges' set by your teachers.

We are looking forward to hearing about what healthy recipes you have cooked up and what exercises you have tried.

We will even end the week with a 'Stay at Home St. Joseph's Sports Day'. Your teachers will keep you informed online.

Gracie-May's Grand Bedroom Design!

Gracie-May (Y5) has been doing some very impressive DIY.

I sanded my furniture and helped to paint it too. I also changed the mirror into a notice board. The wall-papering was hard work. I used screwdrivers and made holes. I picked all my new accessories.

Elsa's Greek Pot

Elsa (Y5) has been getting stuck into her topic of Ancient Greece. Look at this incredible Greek pot she has made with real clay - wow!

Wow Gracie-May, I think some of the teachers might want your help revamping their classrooms. Your new bedroom looks AMAZING!

Henry's Cheesy Pastries

Henry (Y3) has been making some cheesy pastries as part of his learning task on Google Classroom.

Luckily he had his lovely brother James to help him.

Great teamwork boys, we think they look delicious!
