

# Grow in Love News

St. Joseph's Catholic Primary School, Colwyn Bay

## Eggcellent Fluffy!

Jovi-Rose (Y6) is an animal lover and is very lucky to be caring for so many animals at home.

This is my hen Fluffy. I grew up with her and she is 7 years old now. She is a lovely grey hen that still lays! We have lots of new hens and Fluffy loves them. I'm pretty sure that her best friend is Toffee because she always hangs out with her, it is very sweet!

Oh Jovi-Rose, your hens really are so lucky to have such a caring owner. The staff at St. Joseph's are huge fans of Fluffy, we love it when you bring her eggs to school!

My chicks are called: Toffee, Nosey, Sneaky, and Gingernut. The red hens have the best personalities, I don't know why but they are also great layers as well.

### JOKE CORNER

How do you throw a party in space?...You Planet! - Wiktoria (Y6)

This kid said to his Mum "Can I have a mansion?" His Mum said, "money doesn't grow on trees". The boy replied, "but I thought money was made out of paper?!". - Priya (Y5)

What do you call a bear with no ear?...B - Tia (Y1)

### Brawddeg y Wythnos

Rwyd ti'n yr enillwr!  
You're the winner!

### This Week's Prayer

Bless the Lord of heaven above, sing to God with thanks and love.

Praise him for the joyful spring, bringing life to everything.

Praise him for the blossom trees, birds and butterflies and bees.

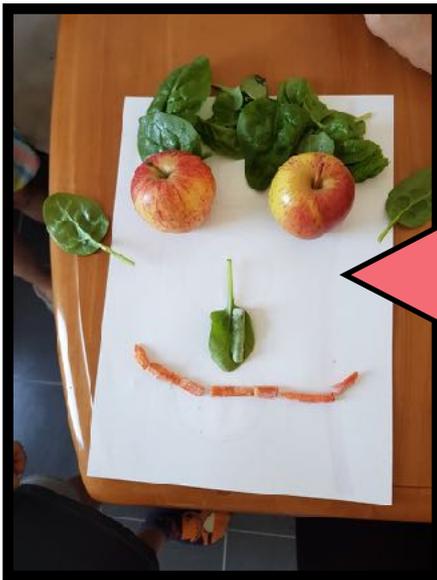

Praise him for the cloud and rain, and for sunshine once again.

Bless the Lord of heaven above, sing to God with thanks and love.

# Healthy Eating Week

**This week we have been taking part in the BNF (British Nutrition Foundation) Health Week. Lots of activities were shared out on our online classrooms and here is some of the wonderful work our pupils would like to share.**

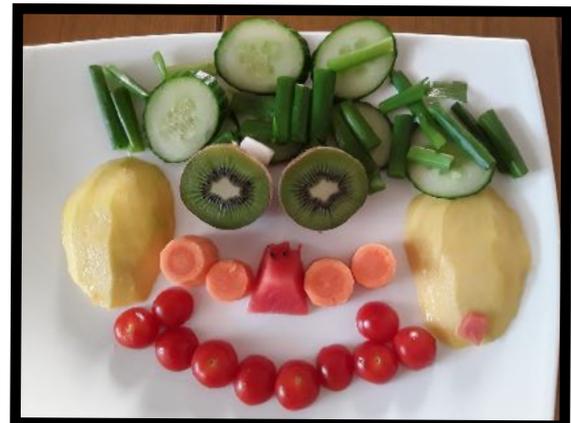

For one of my Healthy Eating Week tasks I had to make a face from fruits and vegetables. I used 2 apples, spinach, a green bean and some chopped carrots!

Corey (Y3)

I also made a fruit face. It was looking like a rainbow when I made mine. The ingredients I used were: Mango, Cucumber, Watermelon and Spring onion.

McAngelo (Y3)

Wow boys, these look great!

As part of Healthy Eating Week we thought we could do lots of exercise too. Me and my brother have been walking to the Rainbow Bridge. We counted the steps and there is 346 steps down to the bridge and 346 steps back up to the Hotel 70!

Ellie-Mae (Reception)

Wow Ellie-Mae and Jacob, that is so impressive!!  
Keep up the great work.

# Reading Champion!

Chloe (Reception) has been working her socks off on the Reading Eggs programme. This week she has reached Map 8!  
 Congratulations Chloe!

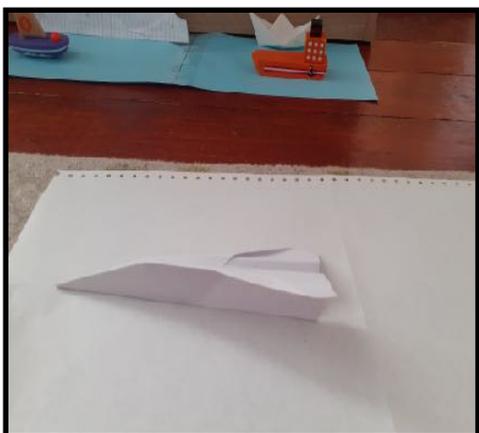

# Stone Craft

Lucas (y2) and Jasmine (Reception) had a walk along the prom in Llandudno at the weekend. They had so much fun playing with the stones!

This does look like great fun, what a super walk you had!

# Paper Vehicles

Benjamin (Y1) has been busy this week making paper boats with his Dad. He has been designing the boats and learning about 3D shapes. Benjamin has also made a plane and runway to fly passengers to his boating lake, which is on a small island.

# Abbie's Orme Adventure

**Abbie (Y3) has also been doing lots of exercise this week. Read this article to hear about her exciting bike ride.**

Because there are no cars driving around the Great Orme in Llandudno, I was able to safely cycle around it for the very first time!

It took 90 minutes, including a long snack break half way around.

At the end of the bike ride, I was able to watch the many rabbits in a field at the West Shore.

Wow Abbie, I bet this inspires lots more children in our schools to get out on their bikes - well done!

## Slow Cooker Chocolate Fudge

Lillie (Y4) and Brodie (Reception) have been very busy this week making chocolate fudge in their slow cooker. If you would like to try this, here's how:

You need: 500g of chocolate, 1400g tin of condensed milk and a nob of butter.

Put it all in a slow cooker on low until it is melted and thickened. Then pour into a lined tin and put in the fridge for 2 hours. Cut into chunks and sprinkle some icing sugar on top.

Mmmm, I think we will have lots of families trying this recipe!
