St. Joseph's Catholic Primary School, Colwyn Bay

Potatoes and Peas Please!

Abbie (y3) has been a very busy bee in her garden. We saw her plant some potatoes back in Issue 3 and here in Issue 8 we have the final outcome.

Wow Abbie! We are so impressed with your gardening skills, I wonder if you will help with the Gardening Club back at school?...we could do with your expertise!

I am pleased to say that the potatoes I planted have been successfully harvested!

I have also grown some peas this summer, here is my guide:

Plant your peas straight into the garden (compost is best), there is no need to start them off in pots! They need to be about 10cm apart. As they grow, help them to reach high by putting up a net held up by bamboo sticks

Keep watering everyday and it should be easy peasy!

Benji's Top Tips

During his time away from school Benji has been keeping himself busy with some great ideas with his lovely family.

Benji (y1) has been learning to play card games with his dad.

The card game Patience is his favourite. Benji is also interested in travel, maps, countries and cities. He has been using a map of the UK and driving around it with his dad on different motorways and dual carriageways, visiting cities and towns with his toy cars.

Benji enjoys learning about the highway code, road signs and road markings. He likes to draw his own roads with road signs, hospitals, garages and airports.

This Week's Prayer

Lord, in the morning I start each day, by taking a moment to bow and pray.

I start with thanks and then give praise, for all your kind and loving ways.

Today if sunshine turns to rain, if a dark cloud brings some pain,

I won't doubt or hide in fear, for you, my God are always near.

Amen

What a lovely time you have been having Benji, I think your teachers might like you to teach them some card games when we all return back to school.

JOKE CORNER

What do you call a sad strawberry?...A blueberry! - Haikey (y5)

What wobbles in the air?...A jellycopter! - Jethro (y5)

Why did the pirate go to the second hand shop?...To get a second hand!! - Ailis (y5)

Cary's Crafty Creations

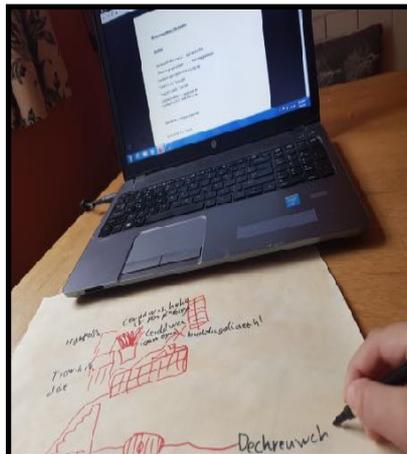

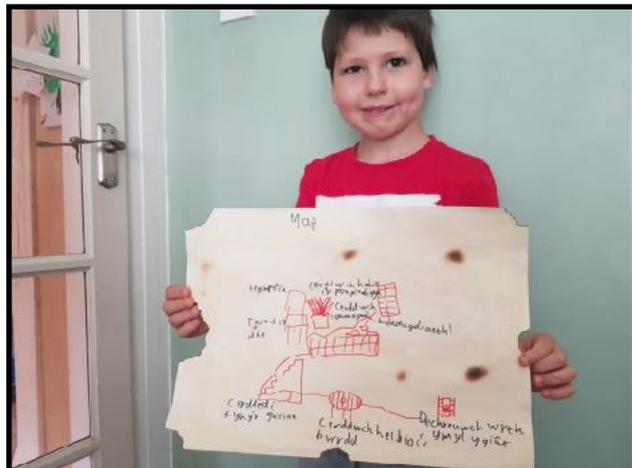

Our lovely Carys (y5) has done it again, more amazing paper craft. This time her creation are beautiful, pastel butterflies.

We love your craft work Carys - you are so talented!

Henry's Treasure Map

Henry (y3) has been making a treasure map this week in Welsh! Ardderchog Henry!

Lola and Daddy's Toy Story Treat!

Lola (y1) has been having a great week, she would like to share the Toy Story moulds that she made with her Daddy. She is even giving us a step by step guide of how she did it!

Step 1: Measure 50mls of water and 100mls of plaster. Mix them together.

Step 2: Tip the mixture into the moulds, today we are doing Toy Story.

Step 3: Scrape any excess off, tap the moulds gently and leave them to dry for 10 minutes.

Step 4: Take the mouldings out of the moulds and paint them.

This is great Lola!
We think you are wonderful!

We can tell by that lovely big smile that you had a great time. Super teamwork Lola and Dad!

There's Something Fishy Going On...

James and Matthew (y3) have been fishing!

When it was sunny me and Matthew went fishing with fishing nets at Eirias lake. I caught 20 fish and Matthew caught 15. They were only small fish so we put them back, it was so much fun!

Sounds like you had a WHALE of a time boys!

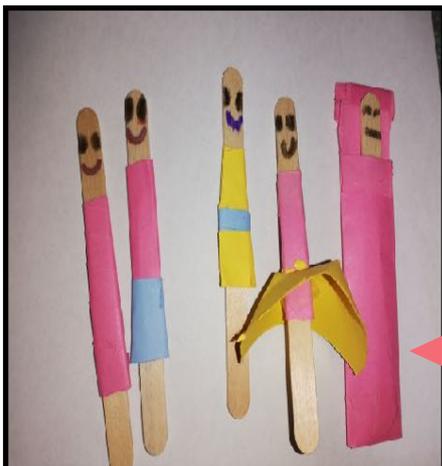

How to make an egg bounce SCIENCE EXPERIMENT

Yvaine (y3) has been experimenting this week.

"I enjoyed this experiment and I did make the egg bounce, yay!"

Ailis (y5) has made some lovely lollypop dolls.

Brawddeg Cymraeg yr Wythnos

...ydy fy hoff fwyd!

...is my favourite food.
