

# Nursery class

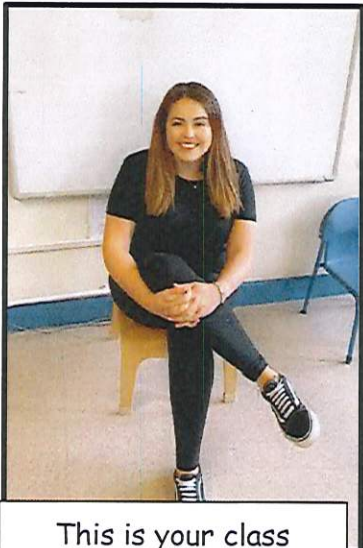

This is the new gate you will use to come into school; it is at the bottom of the front yard near church entrance

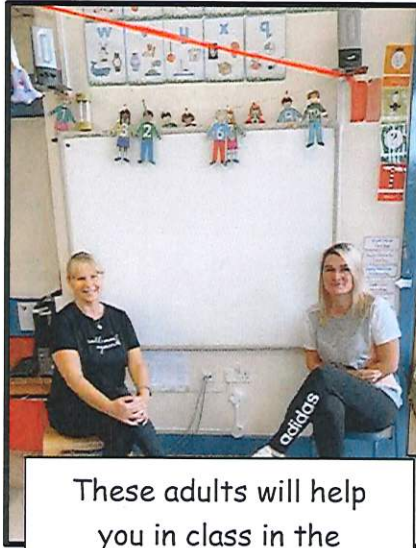

We will come into school through this door, which will take you into the cloakroom

We will come into class through this door, where we will see our adults and friends

This is your class teacher, Miss Roberts

These adults will help you in class in the morning. Miss Pitman and Mrs Wellings

The bathroom we will use is in our Nursery classroom, we used this bathroom in playgroup

We will use either use the front or back yard for playtime
